Dear Mr Heygate,

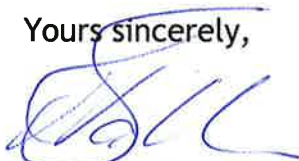

**Re: Throop Mill**

I am aware that it has been some time since we last spoke regarding the above. I would be grateful if you could let me know whether you have any new plans for investment in the Mill or whether you might envisage a change in its use or perhaps selling it in the future.

If you would prefer to meet with me to discuss please can you contact my secretary, Caroline Ford to arrange on 01202 451340 or [caroline.ford@bournemouth.gov.uk](mailto:caroline.ford@bournemouth.gov.uk).

I look forward to hearing from you.

Yours sincerely,

**Roger Ball**  
**Director, Environment & Regeneration Services**
