

What is Bags of Help?

Bags of Help is our exciting local community grant scheme funded by the government's 5p bag charge.

Supported by environmental charity Groundwork, we're transforming green spaces, sports facilities and woodland walks across the UK for customers, colleagues and communities to enjoy.

It's your money, so have a say where it goes.

How do I get involved?

Vote for your favourite

Groundwork and Tesco colleagues will shortlist three projects to receive funding of £8,000, £10,000 or £12,000. Your in-store vote decides who gets which amount.

Check the results in-store and online.
